Dear Ms. Gonzalez:

Your request for an additional 12 physical therapy visits for post-operative rotator cuff repair rehabilitation has been DENIED.

Reason for denial: Member has exhausted the standard benefit allowance of 20 visits per episode of care. Request does not meet criteria for extension per policy REHAB-PT-v5, which requires documentation of ongoing measurable functional progress.

Denial code: REHAB-MAX-01.

You have the right to appeal within 60 days.
