Ordering Physician: Dr. Amanda Cole, MD (Rheumatology)

Dear Ms. O'Brien:

Your request for adalimumab (Humira) 40mg subcutaneous every other week has been DENIED.

Reason for denial: Step-therapy requirement not satisfied. Per policy RX-BIO-RA-v6, biologic DMARDs for rheumatoid arthritis require documented inadequate response or intolerance to at least one conventional DMARD (methotrexate preferred) at an adequate trial duration. Denial code: STEP-02.

You have the right to appeal.
